### EDITOR PROMOTIONS AND ADDITIONS IN CHELONIAN SECTION

***R. BRUCE BURY***

*1410 NW 12th Street, Corvallis, Oregon 97330, USA, e-mail: clemmys@gmail.com*

Raymond A. Saumure and Andrew D. Walde, Chelonian Section Co-Editors, nominated several new colleagues. The Board of Directors of *Herpetological Conservation and Biology* concurred and it gives me pleasure to announce that we added several new editors to our group:

Associate Editors:

Omar Attum – Associate Professor, Indiana University Southeast, USA

Kenneth Nussear – Adjunct Professor, University of Nevada, Reno, USA

Assistant Editors:

Daniel Gaillard – Post-doc, Peking University, Beijing, China

Scott Gillingwater – Upper Thames River Conservation Authority, Ontario, Canada

Cristina Jones – Turtle Project Coordinator, Arizona Game and Fish, Arizona, USA

Lisabeth Willey – American Turtle Observatory; and Antioch University New England, New Hampshire, USA

We also promoted several Assistant Editors to Associate Editors:

Michael Jones – University of Massachusetts, Massachusetts, USA

Day Ligon – Missouri State University, Missouri, USA

Daren Riedle – Department of Wildlife, Parks and Tourism, Kansas, USA

William Selman – Department of Wildlife and Fisheries, Louisiana, USA

Lastly, an Assistant Editor was promoted to Final Copy Editor:

Signa Gundlach – Southern Nevada Water Authority, Nevada, USA

Please join us to welcome them to our editorial team.
