Education

B.S. Millsaps College, May 2003
 Majored in Biology; Minors in Environmental Studies and Business

Ph.D. The University of Southern Mississippi, May 2010
 Dissertation: Conservation and Ecology of the Yellow-blotched Sawback
 (*Graptemys flavimaculata*)

Current Position

2016- **Assistant Professor of Field Biology**, Department of Biology, Millsaps College, Jackson, MS.

- Teaching – Instruct biological lecture and lab courses including Zoology (F 2016, S 2017, F 2017, S 2018), Wetland Ecology (F 2016), Herpetology (S 2017), Vertebrate Zoology (F 2017), and Ornithology (S 2018).
- Scholarship – Develop and implement field-based research projects investigating vertebrate life history and ecology; involve undergraduate students in ongoing research or development of student-led research projects

Previous Experience

2011- **Research Wildlife Biologist and Research Coordinator (Biologist Supervisor)**,

2016 Rockefeller Wildlife Refuge, Louisiana Department of Wildlife and Fisheries, Grand Chenier, LA.

- Research coordinator for refuge staff, collaborating, and visiting researchers
- Whooping Crane reintroduction team member in southwestern Louisiana
- Designed, carried out, and completed individual field research projects on coastal herpetofauna and avian species
- Contributed to collaborative research projects, including mentoring graduate and undergraduate students affiliated with projects
- Completed proposals and received grant funding for research projects

2010- **Guest Lecturer**, University of Louisiana-Lafayette (5 lectures), University of Louisiana

2016 Monroe (2), McNeese State University (2), Mississippi State University (2), Louisiana State University (1), and Hiram College (1); all hosted at Rockefeller Wildlife Refuge. Visited McNeese State University (3), Millsaps College (1), and The University of Southern Mississippi (1).

- Topics: wetlands ecology and management; careers in wildlife biology; threatened and endangered species conservation; wetland wildlife diversity; speciation; and ecology of native Louisiana species and their habitats.

- 2014 **Adjunct Professor**, McNeese State University, Lake Charles, LA.
- Instructor for Herpetology (Spring 2014)
- 2010-2011 **Research Wildlife Biologist (Biologist 2)**, Rockefeller Wildlife Refuge, Louisiana
Department of Wildlife and Fisheries, Grand Chenier, LA
- Completed research projects on distribution and population status of diamondback terrapins, effects of mineral exploration on avian diversity and abundance, and translocation assessment of rehabilitated Brown Pelicans from the Deepwater Horizon oil spill
 - Conducted wetlands management on ~30,000 hectare Rockefeller Wildlife Refuge
- 2005-2010 **Graduate Research Assistant**, The University of Southern Mississippi, Department of Biological Sciences, Hattiesburg, MS.
- Conducted lab and field work, completed technical reports, and analyzed/published data associated with my dissertation work (all chapters published)
- 2004-2010 **Biology Instructor**, The University of Southern Mississippi, Department of Biological Sciences, Hattiesburg, MS.
- Instructed Introductory to Biological Sciences Laboratory (6 semesters)
- 2006-2009 **Teacher Assistant**, The University of Southern Mississippi, Department of Biological Sciences, Hattiesburg, MS.
- Teacher assistant for Vertebrate Biology (2 semesters) and Herpetology (1 semester)
- 2008, 2009 **Guest Lecturer**, The University of Southern Mississippi, Department of Biological Sciences
- Lecturer in Vertebrate Biology and Herpetology
- 2007 **Consultant**, Conservation Southeast Inc.
- Assessed gopher tortoise population status, Stone County, MS
- 2004, 2007 **Field Assistant**, The University of Southern Mississippi & Mississippi Department of Wildlife, Fisheries, and Parks
- Herpetofaunal inventory of southeastern Mississippi, with focus on the mimic glass lizard and the black pine snake
 - Collected dietary contents and tissue samples from American alligators
- 2003-2004 **Teacher**, Meridian Public Schools, Northwest Junior High School Biology Department, Meridian, MS
- Instructed 8th grade Life Science and 9th grade Biology

College Service to Millsaps

2017- **Faculty Representative.** Board of Trustees Facility and Grounds Committee.

2017- **Division of Sciences Faculty Representative.** Millsaps All College Council.
2018

2017- **Faculty Advisor.** Kappa Sigma Fraternity, Alpha Upsilon Chapter.

Outreach and Service

2017- **Board of Directors.** The American Turtle Observatory. Provide advice and guidance on
Pres. new/existing projects; work to advance partnerships; and serve in an advisory role for grants program in order to identify, conserve, and protect landscapes for North American freshwater turtles.

2013- **Regional Co-representative for the Gulf Coast Region.** Diamondback Terrapin
Pres. Working Group.

2011- **Conference Student Presentation Award Committee.** 9th – 15th Annual
Pres. Symposium on Conservation and Biology of Freshwater Turtles and Tortoises.

2015- **Advisor/Key Partner.** The American Turtle Observatory. Provide advice to
2017. identify, conserve, and protect landscapes for freshwater turtles in North America.

2016 **Subject Matter Expert.** Selected to provide status information regarding bird, reptile, and amphibian species of conservation concern for the “*Mississippi and North-Central Alabama Public Lands At-Risk Species Workshop.*”

2010- **Rockefeller Wildlife Refuge Education & Outreach.** Provide informal presentations to
2016 visiting school classes and civic groups.

2010 **Counsel for the IUCN Redlisting Process.** Provided expert opinion on imperiled North American freshwater turtle species for IUCN draft assessment.

2010 **Counsel for Mississippi Chapter of The Nature Conservancy.** Prioritized aquatic habitats of the Pascagoula River Basin for future riparian land acquisition efforts.

2009 **Counsel for Mississippi Comprehensive Wildlife Conservation Strategy.** Assisted in updating the Amphibian & Reptile species knowledge and research needs.

- 2009 **Conference Session Organizer and Chair.** 7th Annual Symposium on Conservation and Biology of Freshwater Turtles and Tortoises. *Graptemys* Session.
- 2008-2010 **Troop Assistant with Boy Scout Troop 461.** Edwards Street Fellowship Center, Hattiesburg, MS. Fall 2008-2010.
- 2006-2014 **Science Fair Judge.** Oak Grove Lower Elementary with USM and South Cameron High School with Rockefeller Wildlife Refuge.

Awards & Honors

- 2018 **Richard A. Smith Award for Excellence in Scholarship or Creative Work.** Selected among the Millsaps faculty for exceptional scholarship productivity.
- 2017 **Regional Vice Chair for North America.** Selected to represent North America for the Tortoise and Freshwater Turtle Specialist Group.
- 2015 **Louisiana Representative for Whooping Crane PVA workshop.** Selected to represent Louisiana's reintroduction team at international workshop.
- 2011 **LDWF 2010 Employee Recognition Award.** Team Award for Deepwater Horizon Oil Spill Response & Disaster Recovery
- 2010, 2011 **Louisiana Representative for USFWS Workshops.**
- Conservation and Trade Management of Freshwater and Terrestrial Turtles in the United States. St. Louis, MO
 - Turtle Farming Best Management Practices in the United States. Baton Rouge, LA
- 2009 **Outstanding Doctoral Student of the Year Award.** College of Science and Technology, The University of Southern Mississippi
- 2009 **Best Student Presentation.** Desert Tortoise Council 34th Annual Symposium
- 2009 **Expert Opinion for Yellow-blotched Map Turtle.** In *Countdown to Extinction: Last One*. National Geographic 215(1): 82-107. Rangewide population estimate cited (page 88)
- 2007 **Runner-Up for Best Student Presentation.** 5th Annual Symposium on Conservation and Biology of Freshwater Turtles and Tortoises, Atlanta, GA
